

District 10 Kid's Mask Giveaway

As our communities and businesses begin to reopen phase by phase, Councilwoman Tara Wicker and District 10 continue to do their part to bring constituents access to needed resources to keep their families safe from the virus caused by COVID-19.

In keeping with CDC recommendations regarding wearing masks in public, Councilwoman Wicker is hosting a Kid's Mask Distribution. With masks being in such high demand, and with much of the production focusing on adult masks, the need for children's masks is not a concern that can be overlooked.

The Kid's Mask Giveaway will take place on Saturday, June 13th, from 11:00 a.m. to 1:00 p.m., at Lighthouse Christian Fellowship Church, 1564 Nicholson Drive.

For more information, please call [\(225\) 389-5140](tel:2253895140).
